As Salam Alaykum,

This book in Roman English of Salaams and Nohas is an attempt to encourage the Momineen and Mominaath who cannot read Urdu to benefit from some excellent Salaams and Nohas . The person who helped most is Aftab bhai of Aftab Graphics who spent several hours to put this together. The project started some months ago when I requested sister Tanveer Fatima of Hyderabad India to translate some Salaams and Nohas. After my mother's demise I was able to collect some more material from brother Salman Hyder, sister Sakina Askari and brother Syed Ismail Bilgrami. Brother Azher Hasan and my wife Syeda Jafri helped in corrections.

The book will be available on the  
**Website: [Shiabooksforchildren.com](http://Shiabooksforchildren.com)**

I request the parents to help the young generation to read, understand and get benefit from this book.

Jazakallah khair.

Sincerely

### Shaher Baano kahi peet kar sar

Shaher Baano kahi peet kar sar  
Gorr me mera Bachcha darega  
Nanha laasha karoon dafn kyun kar  
Gorr me mera Bachcha darega

Aah nanha kafan main bathaon  
Apne hathoun se usko pahnaon  
Khaak me usko kyun kar litaun  
Gorr me mera Bachcha darega

Chouk kar jab lahed me utthega  
Koi usko na apna dikhega  
Mere pahu ko dhoonda karega

Sar hai mitti pey takya kahaan hai

Dam karo pad kay naad-e ali ko

Woh sakht hath aur woh tadapna Hussain ka.

Sab apne rishtey daro ki maiyyat ko legaye,  
Be warsa sa rahgaya lasha Hussain ka.

Armaan dil me aur jigar may sina ka phal,  
Mitti pe lot ta hai kaleja Hussain ka.

Kya sakht waqeya hai ki jo aaj tak ghayur,  
Le le ke naam roti hai duniya Hussain ka.

Qayamat ki tapish hai karbala  
ka dasht jalta hai

Qayamat ki tapish hai Karbala ka dasht jalta hai,  
Madinay ka musafir khaakh par karwat badalta hai.

Kahaan hain hazrath-e-Ayyub dekhe sabr ke johar,  
Jawan beta hai godhi may pidar ka dam nikalta hai.

Qayamat ki tapish hai.....

Yeh poocha karte thay Tifli may Akbar sheh say kyon baba,  
Jawani may jo maut aaye to dam kyoun-kar nikalta hai.

Qayamat ki tapish hai.....

Chale jisdum Ali Akbar hua kohraam yun barpa,  
Janaza jis tarha koi bhare ghar say nikalta hai.

Qayamat ki tapish hai.....

Kaha sheh ne yeh Baano se ke khaima may chali jao,  
Ali Asghar ka manka dhal chukka ab dam nikalta hai.

Qayamat ki tapish hai.....

Layeeno Sayyade Sajjad par kodde na barsao,  
Bahut beemar hai is wastay ruk ruk kay chalta hai.

Qayamat ki tapish hai.....

Zara utkar lahad se dekh lijeye ya Rasool Allah,  
Janaze par janaza aap ke ghar se nikalta hai.

Qayamat ki tapish hai .....

Ashoor ko aya ye qate Fatima Sugra

Shikwa nahin Akbar se hai taqdeer se shikwa,

Do din se mere halq se pani nahin utra,  
qurbaan ho Sugra  
Dil kehta hai pardes mein tum pyase ho Baba,  
soona hai Madina

Main raton ko soti hoon to jaag ut thi hoon aksar,

Bikhraey huay baal nazar aati hai Zehra,  
soona hai Madina

Ek sheeshay mei kuch qaak liye phirti hain Dadi,

Mazloom Hussaina meray Mazloom Hussaina,

Qasid ke qarain rakh diya ek nanha sa lasha,

Garm reti pa mein girta hoom  
Sambhalo Amma

Asre Ashoor tha Shabbir thay tanhaayi thee  
Maahey Zehra pay ghata zulm ki jab chaayi thee  
Sheh ko jab noukay seena suve zameen laayi thee  
Girtay girtay labay zakhmi pay sadaa aayi thee  
Garm raiti pa mei girta hoon sambhaalo Amma.

Lut gaya hoon main kisi ki bhi mujhe aas nahi,  
Qatl sab hogaye ab koi meray paas nahi,  
Mera Qasim nahi Akbar nahi Abbas nahi,  
Tum mujhe aakay kalejay say lagalo Amma.  
Garm raiti pa mei girta hoon sambhaalo Amma.

Lash Qasim ki uthayi hai nazar zakhmi hai,  
Zakhm Akbar ka jo dekha hai jigar zakhmi hai,  
Qalb zakhmi hai badan zakhmi hai sar zakhmi hai,  
Dein sahara mujhe baba ko bulalo Amma.  
Garm raiti pa mei girta hoon sambhaalo Amma.

Mein jo ghoday say girun tum mujhe taskeen dena,  
Pyaar karna meri himmat ko duaen dena,  
Dal kar bahein gale me mujhe lipta lena,  
Haan dame zibha magar haath hatalo Amma.  
Garm raiti pa mei girta hoon sambhaalo Amma.

Apne wade ke liye mene har izza sehli,  
Ek armaan mera niklay toh inayat hogi,  
Zibha ke waqt meri tumse tamanna hai yahi,  
Sar mera qaak se zanu pe uthalo Amma.

Garm raiti pa mei girta hoon sambhaalo Amma.

Ab koi dam me mere halq pay qanjer hoga,  
Aur seene pa mere shimr- e- sitamgar hoga,  
Khoon ka hoga kafan qaak ka bister hoga,  
Aqri naaz ye bete ka uthalo Amma.

Garm raiti pa mei girta hoon sambhaalo Amma.

 Shama mangwaiyeh varna mein nahin jeenay ki,

 Dil dhaadakta hai mera khauff sey ghabraatha hai ji,

 Kya samajh kar mujhe youn ghurkiyaan detaa hai shaqi,

**Koofay ka aur shaam ka manzar**

Koofay ka aur shaam ka manzar  
Yaad jab ajata hai Baba  
Dil mera phat jata hai Baba

Koofa ka aur shaam ka manzar

Ek rasan mein bandhay, chote badon ke galay  
Bar sare darbaar sab, is tarah laye gaye  
Kotho se barsaate thay pathar  
Yaad jab ajata hai baba  
Dil mera phat jata hai baba

Koofa ka aur shaam ka manzar

Koofay ke bazaar mein, majme kufaar mein  
Ek tamasha sa tha, aale sitamgaar mein  
Aisay mein maa bahney khule sar  
Yaad jab ajata hai baba  
Dil mera phat jata hai baba

Koofa ka aur shaam ka manzar

Qaof se hargiz na tha, baba mera sar jhuka  
Hathkadi aur bedi ka, koi mujhe gham na tha  
Dekha nahi jata hai manzar  
Yaad jab ajata hai baba  
Dil mera phat jata hai baba

Koofa ka aur shaam ka manzar

Bali Sakina ka gham, dil ye nahi bhoolta  
Sab ke thay shane bandhay, us ka bandha tha gala  
Dard se vo rahti thhi muztar  
Yaad jab ajata hai Baba  
Dil mera phat jata hai Baba

Koofa ka aur shaam ka manzar

Mari phupi jaan thi, balway mein jo sar khule  
Naizey se ammu mere, farsh pe gir padte thay  
Haye chachajan ka safar  
Yaad jab ajata hai Baba  
Dil mera phat jata hai Baba

Koofa ka aur shaam ka manzar

Leke gaye jab hamein, bazme sitamgaar mein  
Saat sau kursi nasheen baithe tha darbaar mein  
Takht pe baitha tha sitamgar  
Yaad jab ajata hai Baba  
Dil mera phat jata hai Baba

Koofa ka aur shaam ka manzar

Jab kiya sajjad se aake kisi ne sawaal  
Guzra kahan par imam, aap ko zyada malaal  
Kehte thay ashaam mukarar  
Yaad jab ajata hai Baba  
Dil mera phat jata hai Baba

Koofa ka aur shaam ka manzar

### Ali sheyray Quda mushkil kusha ho

Ali sheyray Quda mushkil kusha ho  
Dil o jaan'e Rasoolay kibriya ho

Ali dastay Quda o lafata ho  
Ali har dard ki bayshak dawa ho

Tumhi say uqdae har qalb wa ho  
Madad ko aaiyay mushkil kusha ho

Gham o ranjo musibat dur honge  
Nazar mushkil kushaee ki zara ho

Na ho mujh ko kabhi qauf e qayamat  
Agar madfan mera karbobala ho

Dua e khaas say ho jati hai rad  
Khuda ka qahar ya koe bala ho

Yadullah kay siwa hai kaon jis nay  
Qadam mohray nabuwat par rakha ho

Naheen maloom tum ko kya kahoon mai  
Jo kuch kahta hoon tum us say siwa ho

Sada farmatay thay ashaab say shay  
Ali ko khush rakho jo mujh ko chaho

Naheen hai peer balkay hai jawan wo  
Budhapay main ali jis ka asa ho

Milay chutkara kya dozaq say usko  
Jo dushman Murtuza kay naam ka ho

Pachada tum nay hee marhab ko ai Shah  
Tumhi misdaaghey shaan e lafata ho

Daray qaibar ko ai shai tum nay todha  
Tumhi sheray Quda dastay Quda ho

Tumhi bistar pay soay waqte hijrat  
Aqee bawafay mustafa ho

Nahin mushkil jo bulwalo najaf main  
Tumhi maula mayray mushkil kusha ho

Jhukata hai teri dargah pay sar  
Shahinshahay jahan ho ya gada ho

Ghamay aalay nabi ho ya ilahi  
Na koe gham hamay is kay siwa ho

Chalay jati hai beemari bhi ekdam  
Agar khakay shifa us kee dawa ho

Te'ra maddah hoon kya ye hai mumkin  
Jahannum main jaga mayri bhala ho

Qayamat main wo dil raushan rahayga  
Jo gham main aap kay hazrat jila ho

Ha may shaa lab pay rakh tu naamay haider  
Ali kay ishq main shaida wila ho

Mila kya khaak us ko zindagi say  
Muhabbat main na jo teri jiya ho

Qasida qatm kar do is dua par  
Ali hain aap kay aur kuch na chaho

Rahay raushan charaghe janay yaver  
Agar dil say fida tum par hua ho

Peace be on you, O the Inheritor of Moosa, who spoke to Allah!

Peace be on you, O the Inheritor of Isa, who received peace, joy and mercy from Allah!

Peace be on you, O the Inheritor of Mohammad, the dearest beloved of Allah!

Peace be on you, O the Inheritor of the Ameeril Moomineen, peace be on him.

Peace be on you, O the son of Mohammad Al Mustafa!

Peace be on you, O the son of Ali Al Murtuza!

Peace be on you, O the son of Fatimah Zehra!

Peace be on you, Oh the son of Khadeejah Kubraa!

Peace be on you, O he whose blood claimer is Allah,

He is the blood claimer of your father also, as those who persecuted you, your relatives and friends have not been punished for their crimes. I bear witness that, verily, you established the prayers,

gave the prescribed share to the needy, commanded to do what is right and lawful, not to do that which is wrong and unlawful, obeyed Allah,

and His Messenger, till the inevitable came unto you.

So Allah condemns those, who killed you, to eternal punishment;

Allah casts those, who maltreated you, into Hell, Allah damns those who heard this event and rested satisfied.

O my Mawlaa! O Aba Abdillah!

I bear witness that, verily, you were a light in the sublime loins, and purified wombs;

the impurities of ignorance did not (even) touch you,

nor its soiled and dirty bearing could ever smear you.

I bear witness that, verily, you are the pillars of our religion,

and the leader of the faithfuls.

I bear witness that, verily, you are a pious, God fearing, favourite, wise and rightly guided guide (Imam).

I bear witness that the Imams, in your progeny, are the „words of wisdom’,

the signs of guidance, the strong rope of religion and the proofs of Allah for the people of the world.

I call Allah to give witness,

and also His Angels,

His Prophets, His Messengers, that, verily,

I believe in (all of ) you, that I am sure of my return with you,

joined to the divine laws of my belief, and my Accomplishments;

my mind and soul resigned to your obedience,  
my conduct following the example of your  
behaviour.

Blessings of Allah be on (all of) you,  
on your souls,  
on your bodies,  
on your forms,  
(when) you are in view,  
(when) you are out of sight,  
on your style,  
and on your substance.

Peace be on the favourite of Allah, His dearest  
darling! Peace be on the beloved friend of Allah,  
His distinguished hero! Peace be on the choicest  
confidant of Allah, sincerely attached precisely  
like his father! Peace be on Hussain, who  
established the true faith by giving his life in the  
way of Allah, a martyr, underwent untold  
hardships at the hand of rogues and lawbreakers!  
Peace be on the hostages surrounded by the  
tightening circle of sorrow and grief, killed by a  
horde of savages.

O my Allah I give witness that beyond a shadow  
of doubt he is Thy favourite and choicest  
confidant, who enjoys Thy confidence and  
favour, precisely like his father!

Thou looked upto him and elected him in Thy cause, picked and chose him for the good fortune, selected for him the best purified parents, appointed him guardian, leader, and defender of rights, a true representative (inheritor and progenitor) of guardians, leaders and defenders of rights, gave him much and more from the inheritance of the Prophets, put him forward as a decisive argument, along with the other successors (of the Holy Prophet – the twelve Imams) of the mankind.

He met with deadly dangers, acted justly and fairly, made use of everything belonging to him to pay full attention to give sincere advice; took pains, made every effort, and put his heart, mind, soul and life at the disposal of Thy mission to liberate the people from the yoke of ignorance and evil of bewilderment but an evildoer, deceived with empty hopes of mean and worthless worldly gains, had pressed heavily on him, and sold out his share (eternal bliss) for the meanest and lowest bargain, betrayed his „day of judgement’ for a vulgar return, took pride in insolence, fell into the fathomwell of silly stupid follies, provoked Thee and Thy harsh discordant, the hypocrite, the heavily burdened bearers of sin, condemned to Hellfire, advised to him, however he (the Holy Imam) steadily, rightly and justly coped with them, till, in Thy obedience, gave his life after which his family was set adrift.

O my Allah, therefore, condemn them to hell as a denunciation and conviction; and crack down on them with a painful punishment.

Peace be on you O the son of the Messenger of Allah! Peace be on you O the son of the first of the successors (of the Holy Prophet)!

I bear witness that Allah put faith in you like He had full confidence in your father, and that you always looked for and collected good and virtue, lived a highly praiseworthy life, and departed from this world a martyr, forsaken and abused;

I bear witness that Allah will promptly fulfil the promise He made to you, and destroy those who left you helpless and punish those who killed you;

I bear witness that you kept your promise made with Allah, and strove in His way till what was certain came upon you, so curse of Allah be on those who killed you, curse of Allah be on those who oppressed you, curse of Allah be on the people who came to know and approved (of it all).

O my Allah be my witness that I make friends with those who love him and oppose those who deny him.

I, my father and mother, are at your disposal, O the son of the Messenger of Allah.

I know and bear witness that you were 'light' in the sublime loins and in the pure wombs, never touched you the dirt of ignorance, nor ever obscurity concealed you in its folds;

I bear witness that you are the pillar of „Deen’, support of the Muslims, refuge of the faithfuls; I bear witness that you are a truthful, well aware, content, intelligent, rightly guided guide (Imam); I bear witness that the Imams among your descendants are the symbols of „conscious piety’ and the signs of „true guidance’ the „safe handle’ Islam, and the decisive arguments over mankind; I declare positively that I have full faith in you, and I know for certain that you shall return. I am, fully committed to the laws of my religion, certain of my deeds, my mind and heart ready for your return, and my affairs carried out in the light of your instructions, till Allah gives you permission, together with you, alongwith you, not at the same time with your enemies. Blessings of Allah be on you, on your souls, on your bodies, when you are visible, when you are invisible, ob your perceiveable aspects, on your innermost genius, be it so, O Lord of the Worlds!

## SAFAR E SHAAM

### Journey of Imam Hussain's family in captivity from Karbala to Damascus

After the day of Ashoor, the family of Imam Hussain AS was taken prisoner, his belongings looted, the tents burned. The heads of the martyrs were severed and carried on spears and the Fourth Imam and the ladies of the Ahlebait, bereft of their veils, were taken on the backs of unsaddled camels from Karbala to Damascus. It was a long and arduous journey. Many young lives were lost on the way and the sufferings and anguish of the Ahlebait left deep marks of sorrow. The sermons given by the fourth Imam and Bibi Zainab AS, the miracles connected with the severed head of Imam Hussain dispelled the false propaganda of the Umayyad regime and spread the true message of Islam.

Sources that relate the details of the route taken by the Yazeedi forces mention the names of places they stopped enroute.

Koofa

This city had once been the seat of government of Imam Ali AS. Our fourth Imam Zainulabideen (in chains) and the ladies of the Ahlebait were brought to Koofa before Ibn Ziyad, Yazeed's governor after

being paraded in the streets of the city. The Imam and Bibi Zainab and Bibi Kulsoom and the young daughter of Imam Hussain addressed the crowds, condemning the atrocities.

Al Malhuf

They moved north from Koofa, carrying the heads revelling and drinking wine. Suddenly a hand appeared and marked in blood a verse that asked

Atarju ummatan qatalat Hussaina  
shafata jaddi yaumal hisab

“Does the ummat who killed Hussain hope his grandfather’s intercession on Judgement day?”

Tikrit

The governor sent people with flags. The Yazeedi forces were afraid of the populace turning against them so did not tell the people who they had killed, merely saying he was a “foreigner.” However a Christian, who heard this, said “What they say is not true. This is Hussain ibn Ali’s head, son of Fatima. When he was martyred I was in Koofa”

Mashad Al Nuqte

The holy head was placed on a stone. A drop of blood fell and from then on every

year on the day of Ashoor blood appears on the stone. People mourn for Imam Hussain.

Wadi Nukhla

There is a place near Musil called Nukhla, near Khazir. Lamentations were heard from jinns weeping for the Imam and the ladies in sorrow.

Mosil

Going towards Kuhayyl and Juhayna, cities near the river Tigris though now there are no remains. Musil was an ancient city where the prophet jirjis is buried. The ruler of Musil ordered the city to be decorated. When the people realised the identity of the head they were ready to take up arms to kill the ruler. So the route was changed.

Sinjar

They moved west towards “Tal Afaar” and Jabl Sinjar, located alongside a mountain.

Nasiibi

When they reached there, Mansur ibn Ilyas ordered city decoration, using mirrors for the purpose. The man who carried the head of the Imam wanted to enter but the horse disobeyed. Several horses were changed but to no avail. When they looked carefully at the head they realised who it was. The

People watching took the head and killed the ruler. Bibi Zainab recited heart rending verses in sorrow.

Aynal Warda

The Imam's head was placed in the centre of the city square on a spear. Some celebrated while others cried.

Raqqa

This is by the banks of the river Euphrates near the battlefield of Siffeen. The caravan passed through Raqqa on their way to Damascus.

Halab

Now known as Aleppo, Halab is an ancient city where Prophet Zakariya is buried. The stone on which Imam Hussain's head was placed is now housed in a masjid in Halab and is a place of pilgrimage. On the west side of Halab is a mountain called Jabl Jaushan where copper is extracted. It is said that the mine was damaged after the Ahlebait passed through. One of Imam's wives aborted her baby on the mountain. Some have written she asked for water but they refused and swore. She cursed them and nobody has ever benefited from the mountain since then. The aborted child is

called “Mohsin e Hussain”. People visit this mountain to pay their respects.

#### Qinnasriin

This was a city between Halab and Hams. A monk lived here and as Ibn Ziyad’s agents approached the monastery, he saw a light emanating from Imam Hussain’s head and going towards the sky. So he paid them ten thousand drachmas to keep the holy head for the night. During the night he converted to Islam and prayed for intercession of the Imam on the day of Qiamat.

#### Sibur

There was a revolt here against the Yazeedi forces which forced them to alter their route. Hazrat Umme Kulsoom AS gave dua that Allah make their provisions cheap, their water fresh and make them get rid of oppressors. They left Sibur and went towards Hamat.

#### Hama and Hims

The gates of Hama remained closed so they could not go in. At Hims people opposed them saying “we will never allow you to bring the Imam’s holy head to this city.” Some of the Yazeedi soldiers were killed in the resistance.

## Balbeik

This was an ancient city with fine buildings and palaces. The Ahlebait wept as the inhabitants rejoiced, carrying flags in a festive mood. They came out to look at the prisoners.

## Damascus

Known as Sham, dominated by Bani Ummaya, was their capital city. The fourth Imam, when asked to name the place where he had suffered the most replied “Ash Sham ! Ash Sham ! Ash Sham!”

In Damascus, the Ahlebait passing through crowded lanes and bazaars, were jeered and jostled. They were made to wait for several hours at the gate of Yazeed’s palace as the decorations were completed. The heads of the martyrs were taken before the tyrant and presented as trophies in a silver salver. The Imam was brought in chains and all the ladies tied up by one rope dragged into the court. The Darbar e Sham was the worst hour of trial for the Ahlebait. The Ahlebait were then sent to the Zindan e Sham, a dark and damp dungeon where Bibi Sakina, the four year old daughter of Imam Hussain AS died. In spite of the immense sufferings, the truth of Islam was apparent. The sermon of the Imam and the bold stance of Bibi Zainab shook the very foundations of Umayyad rule. The celebrations turned to revulsion against the tyrant

This map has been taken from the cover page of the  
Jafari Observer May 1998, Volume 10, no 9.

It traces the journey of Imam Hussain AS from  
Medina to Mecca then to Karbala. The next  
journey was from Karbala to Koofa along an  
extended route taken by the Yazeedi forces as  
they took the Imam's severed head , together  
with the Ahlebait and Imam Zainulabideen as  
captives to Damascus. When they were released,  
they returned to Madina via Karbala.

## The Route Of Imam Hussain From Madina To Karbala

Imam Hussain left Madina on the twentieth of Rajab, 60A.H. and travelled south to Makkah, where he remained with his family till the eighth of Zilhij. When he realised that Yezid had sent people dressed as pilgrims to kill him, he left Mecca to avoid bloodshed and preserve the sanctity of the Holy Kaaba. The map shows his journey from Madina to Mecca and from Mecca to Karbala. There are fourteen places, which are mentioned on the route between from Mecca and Karbala. These are marked on the map.

**1. SAFFAH:** Here Imam Hussain (A.S) met Farazdaq, a famous poet, who told the Imam that the hearts of the people of Kufa were with him but their swords were against him.

**2. DHAT-EL-IRQ:** Bibi Zainab's husband, Hazrat Abdullah, son of Jafar-e-Tayyar, Brought his two sons, Aun and Mohammad to accompany the Imam to Kerbala.

**3. BATN-ER-EUMMA:** The Imam sent a letter to the people of Kufa through one of his companions, Qays bin Mushir, telling the people of Kufa that he was coming to them within the next few days. Qays, however, was unable to reach Kufa as he was arrested on the way and sent to Ibne Ziyad.

**4. ZARUD:** Imam met Zohair ibne Qayn, who joined the Imam and was later martyred in Karbala.

**5. ZABALA:** Here Imam learnt the news of the death of Hazrat-e-Muslim from two tribesmen coming from Kufa.

**6. BATN-E-AQEEQ:** A man from the tribe of Akrama told the Imam that Yezid's army was now in total control of Kufa.

**7. SORAT:** The Imam asked his companions to store as much water as they could and carry extra supplies.

**8. SHARAF:** One of Imam Hussain's companions shouted "Allaho Akbar" for he could see palm trees. It was in fact an army, whose spears looked like palm branches stripped of their leaves.

**9. ZUHASHM:** Here Imam Hussain met Hur with his contingent of 1000 soldiers. They were extremely thirsty and the extra supplies of water, that Imam Hussain carried with him, was given to the thirsty soldiers and animals. Hur and his army prayed namaz-e-Zuhr with the Imam. Hur, however, prevented the Imam from taking the road to Kufa. Hur said that he had been ordered not to leave the Imam until he brought the Imam to ibne Ziyad, Yezid's governor in Kufa. Hur said, "If you refuse to do that, then take any road which will not bring you into Kufa nor take you to Madinah. Bear to the left of the road towards Qadisiya."

**10. BAIZA:** Imam Hussain delivered one of his famous sermons, "I consider life among transgressors as nothing but agony and affliction."

**11. UZAIBUL HAJANATL:** The Imam stayed away from the army of Hur, which was now accompanying him. He was offered the support of 20, 000 trained men under Ibne Adi, but he did not try to mobilise military support. The Imam's intention was to bring about a revolution in the conscience of the Muslim mind

**12. QASR-E-BANI MAKATIL:** Kufa was no longer the destination and a new route was taken. The Imam recited “Inna lillah wa inna ilaihi rajaoon”. His son, Hazrat Ali Akbar, asked, “Are we not on the Right Path’, to which the Imam replied, “Yes.” The Imam was ready for death as were his family and companions.

**13. NAINAWA:** A messenger from Ibne Ziyad, who had orders for Hur not to leave the Imam, met the battered caravan. They were in the desolate plain called Ghaziriya, another name for Nainawa. The new crescent signifying the start of Moharram the first month of 61 Hijri was seen in the sky. Alas, it brought tears to the eyes of the Imam.

**14. KARBALA:** The Imam with his family and companions arrived in Karbala, on the second of Moharram. As the ladies dismounted, a yellow dust rose and covered Bibi Zainab. A plaintive moaning was heard in the air. Tents were erected near the river, which was a tributary of the river Euphrates, but were forced to move away from the riverbank and relocate on the burning sands of Karbala.
